Our children received a “Lent in a Bag” last Sunday containing a countdown to Easter poster, as well as a short explanation about the Season of Lent and some activities to do. As they put stickers on their large pretzel poster (hands folded in prayer) it reinforces the traditional Lenten practice of Prayer, Fasting and Almsgiving.

PWRDF

For many Anglicans the **Primate's World Relief and Development Fund** has played a major role in sharing our resources to bring relief to millions who need it, both here in Canada and worldwide. Their website [PWRDF.org](https://www.pwrdf.org) provides a wealth of information as well as a monthly on-line newsletter. Funds have already been disbursed to Ukraine among other things.

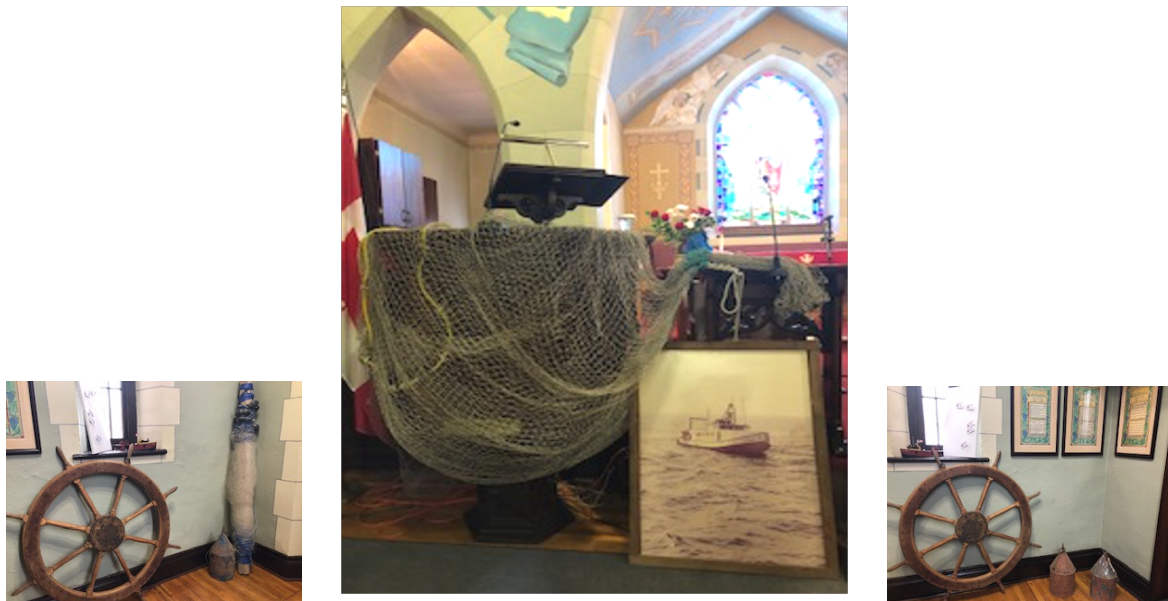

As your PWRDF representative, I encourage you to browse their website, pray for the world's needs, and make a financial contribution to bring relief where possible.

Thank you,

Marianne Bouwmeester

Happy Birthday to you celebrating in March -

From 4 years to 100 years, and in between, we wish you all a spectacular celebration from your St. Paul's church family and friends.

Grateful Thanks to our Altar Guild, and to our local fishermen and families for donating and setting up historic relics of our Port Dover fishing industry. Thank you to our pianist and singers for creating wonderful musical stylings for all to sing along or enjoy listening. The testimony given by Harry Smith was heartwarming and perfectly blended in with our Blessing of the Nets covid style. *Thank you to everyone who participated in this special tribute.*
